

Antalya International University

College of Economics

Open Rank Faculty Positions in Macro Economics, Micro Economics and Econometrics

POSITION

The College of Economics at Antalya International University (AIU) invites applicants for an Open Rank (Assistant/Associate/Professor) faculty position in all fields of Economics starting in fall semester (September of 2017). We are specifically looking for candidates specializing in a broad array of interests.

JOB QUALIFICATIONS

Candidates must have an earned doctorate in their respective field from an AACSB accredited institution by May 31, 2017. Highly accomplished scholars possessing a distinguished research and teaching record may be considered for the rank of associate or full professor. The candidate should demonstrate active scholarship; significant potential and promise of teaching effectiveness and excellence; student advising abilities and experience as well as other services to the department, school, profession and the community. Publishing in premier journals is expected and is awarded with a monetary bonus through the faculty research productivity program. AIU is a premier international research university with a teaching load of 3+3 per academic year. The successful candidate will join a dynamic group of faculty members who are recognized leaders in their fields and emphasize a high value on collaboration and collegiality.

TO APPL

Interested candidates should send their applications including a cover letter, curriculum vitae, a sample publication or a research paper, teaching evaluations (if available), and contact information of three references as a single PDF document via email to: Assistant Prof. Dr. Burçak Polat (econ.recruitment@antalya.edu.tr)

The search is ongoing and is open until the positions are filled.

THE UNIVERSITY & THE CITY
