

Open Rank Faculty Positions in Industrial Engineering in Antalya Turkey

The Department of Industrial Engineering at Antalya International University (AIU) seeks candidates for multiple faculty positions at all ranks beginning September, 2017. Candidates must have a Ph.D. in Industrial Engineering or a closely related field. The department emphasizes both high-quality research and teaching. Faculty duties include research, teaching at undergraduate levels and graduate levels, supervision of master and Ph.D. students and other related tasks.

The Department of Industrial Engineering at AIU aims to be the leader in service science and management in the area and in the world. The department has established strong partnerships with tourism, health, and logistics sectors in the area. The new faculty member is expected to enhance and expand these relationships, especially with companies in service sector, in which fundamentals of industrial engineering can be applied

The candidates should demonstrate ability in initiating and maintaining high-quality research projects and a strong commitment to attracting external funding as well as building university-industry partnerships. Successful candidates are expected to be committed to excellence in teaching, interact and participate in outreach activities, and be involved in service to the University and the profession. Applications in all areas of Industrial Engineering will be accepted.

Antalya International University (AIU) is a newly founded university which strives to be the leading university in the region (Central Asia, Russia, the Middle East, North Africa and the Southeastern Europe) and to provide world-class education, with a distinguished academic team dedicated to teaching, research, and service. The medium of instruction is English. Therefore, candidates should have an excellent command of English. AIU has established an international education services office and is rigorously recruiting foreign students with an objective to have 50% of the incoming freshmen being non-Turkish citizens in the next five years. AIU is an equal opportunity employer.

The university is located in Antalya, Turkey -a.k.a. the Turkish Riviera, one of the most popular tourist destinations in the world. Antalya, located on the Mediterranean coast of southwestern Turkey, is one of the fastest growing cities in Turkey with a population over one million and is not afflicted by the disadvantages of a metropolitan city such as traffic. Antalya is also considered to be one of the most beautiful cities in the area with sunshine throughout the year, scenic beauty, and magnificent historic sites. Tourism and healthcare are the leading sectors in the area with a rapidly developing industry.

Applicants should submit a cover letter, curriculum vitae, including academic and professional experience, list of publications, statement of teaching philosophy and research interests/objectives, and names and contact information for at least three references as a single PDF file to ie_recruit@antalya.edu.tr. Please name the file as LastName_FacultyApplication and include "IE Faculty Application" in the subject line of the email. Short-listed candidates will be contacted for formal interviews.
